Consent for Participation in Citywide Immunization Registry (CIR)

for individuals 19 years of age and older

The New York Citywide Immunization Registry (CIR) is a confidential, computerized system that allows authorized users access to a person's immunization records. Strict federal and state laws protect the privacy of personal information in the system. Here are some benefits of participating in the CIR:

- Your health care provider can use the CIR to ensure that you receive all needed immunizations.
- The CIR provides you with a permanent and easily accessible record of your immunizations.

Participation in the CIR is voluntary for people 19 and older, so immunizations you receive after 18 years of age will not be included unless you give consent. If you want to participate, please carefully read the statement below and sign in the space provided. For additional information about this consent, please call (347) 396-2400.
